**ENGLISH**

Carefully loosen the spring, otherwise it will spring out with full force.

**FRANÇAIS**

Attention! Le ressort se détend violemment.

**ITALIANO**

Per evitare che la molla scatti con forza, allentala con prudenza.

**PORTUGUES**

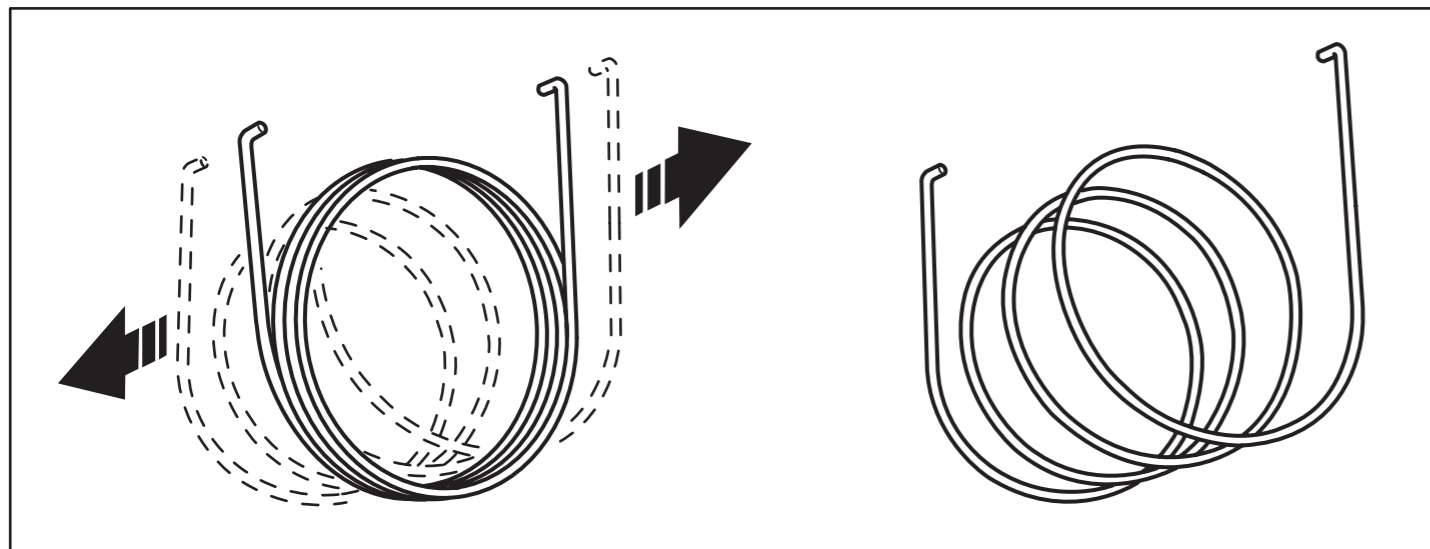

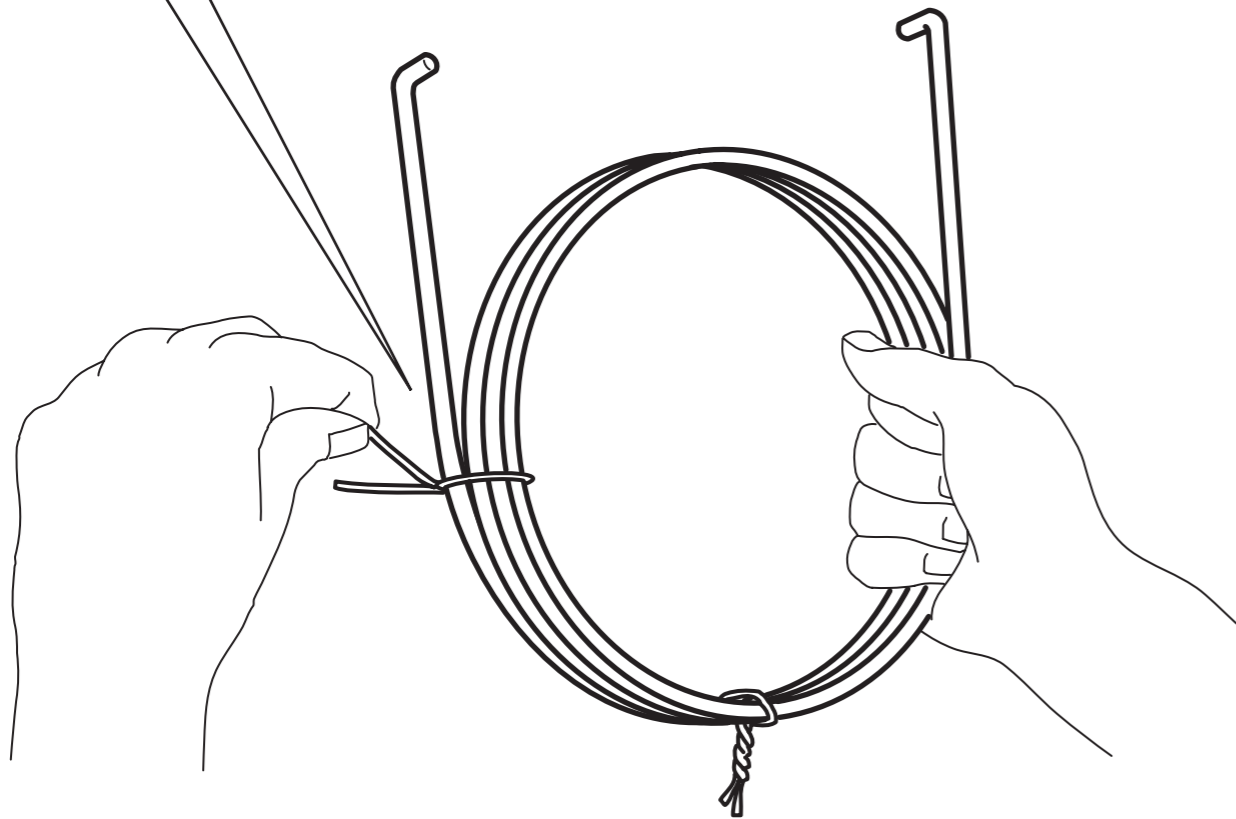

Solte a mola com cuidado, caso contrário pode saltar com força.

**ESPAÑOL**

Suelta el muelle con cuidado. Al ser muy elástico, se abre con fuerza.

**中文**

小心松动钢丝条，防止弹射。
